

Did You Know?

More than 157,000 people visited the Spruce Grove Library last year—that's **more** than the entire population of Red Deer plus 56,000 of their closest friends!

More than 95,231 visited Spruce Grove Public Library's virtual branch last year?! If all those people queued up to get into the library, the line would go from our front doors all the way to West Edmonton Mall!

In 85,000 square feet of space, the Art Gallery of Alberta has 2977 members and about 2500 program participants per year; in less than 1/5 of that space, the Spruce Grove Public Library has 5,550 cardholders and 1700 program participants per **month**.

20,700+ people used library computers last year—that's 4000 **more** people than the entire population of Stony Plain.
