

May 5 has been declared the National Day of Awareness for Missing and Murdered Indigenous Women, Girls, Men, Boys and 2SLGBTQQIA+ (Two Spirit, lesbian, gay, bisexual, transgender, queer, questioning, intersex and asexual plus) people.

This day is to create awareness about the missing and murdered Indigenous women, girls, and two-spirit peoples epidemic, to show support and remembrance of those who have gone missing and impacted by violence and abuse. It is a day for reflection, a chance to grieve and continue to work towards ending this ongoing national tragedy.
